

2012 Mission Trip Contract

I desire to participate in the Church of St. Boniface Mission Trip to Joplin, Missouri, which will take place June 24-30, 2012. The cost of the mission trip is \$500. I plan to obtain the funds necessary to do so and will make the payments due each month (\$100 payment - January-April 2012, \$50 final payment due in May 2012) on time and in full or will contact Sandee Kremers if I am unable to make a scheduled payment. I understand that a \$50 non-refundable deposit is due at the time of sign up. I also understand that all checks written out to St. Boniface Church will be deposited into a personal account and will be put towards my mission trip. If checks are received that exceed the trip cost - these checks will be put in a general youth ministry fund and will be used for future trips, to help fund our chaperones and youth ministry events. I will come to group meetings, fundraisers and retreat to prepare for my mission trip. I will work hard and listen to all adult chaperones and counselors. I will serve with my whole heart and give 100 percent during my mission trip.
