5th Grade Students and Parents **School Float**

This summer we have our St. Boniface Float to design. I have the future 6th grade students come and help prepare the float and help with it for the St. Boniface Church Parade. It is a fun time for students to get together during the summer before they enter 6th grade. I will be calling at the end of July to give you a date when this will be happening. Hope you will be able to make it. Thank you, Sondra Szafranski.
