All parent volunteers are greatly appreciated, it is important so that teachers and staff can have a lunch break. Last year we had a couple of times where people did not show up for their scheduled time slot. Please... if you can not make it please try to find a sub, or let me know A.S.A.P. so I can help you find a sub.

My contact info:

When you look over the monthly calendar if you could take the time to email me so I know it looks okay for you I would greatly appreciate it, otherwise I can make adjustments.
