## 2017-18 School Supply List

The school supply list for next year is posted on our website and is attached to this newsletter email. Please refer to it for your school supply shopping. Not all stores have our updated supply list so please take the one off the website to make sure.

## Teal's Receipt's

Good news! We received a check for \$1,013.12 which is the 1% rebate on the receipts you've brought to school. Please keep saving them and bring them or send them to school. This money goes into the Home and School account to help cover the many projects, events, and various other student expenses.

## 2017-18 School Calendar

The calendar for the 2017-18 school year will be posted on the school website. If you want a hard copy, call the school office. Please note the days for special events and days when we are not in session. Days not in session would be great times to plan the family vacations so the children do not miss too much. The calendar we will follow will most like.

## School Lunch Wellness Policy

Saint Boniface School, as an expectation of the Food Service Program, has a Wellness Policy. The policy is posted on the school website. Recently the policy was revised as a result of the State Administrative Review of our lunch program. You will see the revised version on the website. Please know that we welcome your feedback and input regarding the information in the policy. If you are interested in serving on the Wellness Policy committee, please contact Sister Sharon. Members on the committee are: Monica Notch, Angie Spitzley, Wendy Brown, and Sister Sharon.
